

FAIFO ROUND TABLE

M1010-

Faifo is a collection of dining tables, inspired by unique blend of cultures far and wide, especially countries from the Far East. The round tabletop, with a complement of the Lazy Susan made of natural marble on its largest variation. The Faifo's hand-finished treatment of timber invites elegance, tactile comfort, and elevated dining experiences. Depending on size variants, the table features triple or quadruple wings of legs for flexible seating arrangements.

Fir / Blackened Steel / Engineered Wood
